Classroom Descriptions:

Class assignments (Frog, Fish, etc...) will be determined by your child's date of birth.

Busy Bees (must be 3 and potty trained) - This classroom is great for a first time transition away from home. With an emphasis on social and emotional growth, students learn to navigate fine motor skills, pre-writing, letter recognition, counting, colors, and shapes.

Offered MWF am, MWF pm, TTh am or TTh pm.

Frogs - This class serves as a building block from the threes classroom. While encompassing the same basic content, our students experience these skills at the next level. They begin independent play and socialization while being given more opportunities to learn problem solving skills and utilize them in the classroom. Academically, this class introduces more cognitive skills including reasoning, name recognition, as well as the process of forming and writing letters.

Offered MWF am, MWF pm, TTh am or TTh pm.

Fish - The fish classroom offers an in depth focus on the skills and abilities acquired in our younger classes. They are challenged to complete tasks more independently while being offered opportunities to attempt new things and build confidence. This class continues to review basic preschool skills while introducing pre-reading skills as well. This class actively helps students make progress towards an appropriate skill level in preparation for Pre-K or Kindergarten.

Offered MWF am, MWF pm, TTh am or TTh pm.

Owls & Pandas Extended Day Class (must be 4 by 08/30/19) - The extended day classroom offers an in depth focus on the skills and abilities acquired in our younger classes. They are challenged to complete tasks more independently while being offered opportunities to attempt new things and build confidence. This class continues to review basic preschool skills while introducing pre-reading skills, writing, organization, memorization, and learning through hands on experiences. This class actively helps students make progress towards an appropriate skill level in preparation for Kindergarten.

Offered MWF extended morning or TTh extended morning.

5-Day Monkey Class (must be 5 by 12/30/19)- This classroom focuses on pre-reading skills, writing, organization, adapting personal routines, fine motor skills, memorization, and learning through hands on experiences. This class takes them a step up from "preschool" and just a step away from Kindergarten.

Offered M-F am or M-F pm.

2019 - 2020 Tuition Rates
